Zen Night Structure

A warm welcome awaits your guests as they are offered a cup of ceremonial cacao as we gather around a sacred circle adorned with flowers & candles.

We will set our intention for the evening and enjoy the feminine energy brought into the circle.

Each guest will light an individual candle from a central candle in the circle as a symbol of the light and love that surrounds the bride on her journey into married life,

We will begin to craft our keepsake for the bride by writing a few words of wisdom or well wishes for her future.

These wishes will be put together at the end of the ceremony as a keepsake for the bride such as a wish jar or affirmation booklet.

You will then enjoy a guided meditation using healing energy before we close the space and express our gratitude to all of the guests for their presence & positive energy.
